RE: COACHING OF 2018 KCSE EXAMINATION CANDIDATES BY KNEC TRAINED EXAMINERS (TEACHERS)

It has been brought to the attention of the Ministry that there are KNEC Trained examiners (Teachers) who are being paid to 'coach' the 2018 KCSE examination candidates ahead of the coming examination.

This practice is contrary to the KNEC Regulations and is not acceptable given the following reasons:

- The examiners are using the training, experience and status given by KNEC for financial gains;
- The examiners are exposing their identity as KNEC examiners, which is contrary to the KNEC Regulations;
- This practice can negatively contribute to anxiety, cheating and negative publicity for KNEC's contracted professionals.

This is to direct that this practice is terminated henceforth within all schools in your County.

The purpose of this circular is to ask you to investigate and prepare an in-depth report giving details of the KNEC Trained examiners (Teachers) involved in this malpractice.
