KUCCPS/14/1/

October 12, 2018

Mr Alfred Indimuli Kahi,
The National Chairman,
Kenya Secondary Schools Heads Association,
P.O. Box 20658-00200,
Nairobi.

Dear Mr Kahi,

CENTER APPLICATION FOR THE 2019/2020 PLACEMENT CYCLE

Reference is made to the above.

The Kenya Universities and Colleges Central Placement Service is a State Corporation established under Section 55 of the Universities Act No 42 of 2012, mandated to coordinate placement of Government Sponsored Students to Universities and Colleges among other functions.

In the furtherance of this mandate, we allow students to make programme selections at their examination center before they sit their Kenya Certificate of Secondary Education.

This is a vital exercise, more so now that the government is sponsoring education at the tertiary level from artisan to degree; therefore, no student should miss the opportunity to apply for their preferred programme during this window.

This is therefore to request your assistance in encouraging the school heads to apply for their students during the upcoming center application by circulating the enclosed circular through your structure. The application window will run from **Monday 15th October 2018** to **Monday 31st December 2018**.

Sincerely,

Dr JOHN M. MURAGURI
CHIEF EXECUTIVE OFFICER
