RE: AFFIRMATIVE ACTION IN PLACEMENT OF TEACHER TRAINEES FROM KENYA'S MARGINALISED COUNTIES

The Ministry of Education has lowered the entry grade to teaching courses for candidates from the above marginalized counties starting from 2018 as follows:

- Primary Teacher Training Colleges will admit with a Mean grade of D+ (plus) for the P1 Course
- Diploma Teacher Training Colleges will admit with a Mean grade of C- (minus), and a score of C-(minus) in two teaching subjects.

County Directors of Education should ensure that this information reaches the grassroots as soon as possible. Placement to Primary Teacher Training Colleges will be done strictly at the Ministry of Education headquarters. Interested candidates should submit applications and attach copies of their Birth Certificate, National Identity Card and KCSE certificate individually or through your office as a matter of urgency. Please note that
