Components of Creative Arts and Sports.

Creative arts is made of the following components:

- ☑ Visual arts -creative art forms appreciated through sense of sight such as;
- ☑ Play - a written work that tells a story through action and speech and is meant to be acted on a stage.
- ☑ Music - Music is a collection of coordinated sound or sounds. Making music is the process of putting sounds and tones in an order, often combining them to create a unified composition
- ☑ Dance – dance is the movement of the body in a rhythmic way, usually to music and within a given space, for the purpose of expressing an idea or emotion.

Principles of Visual arts.

There are two principles of visual arts namely:

Principle of dominance in Visual Arts.

Dominance is when a single element is so large and/or different compared to the rest of the design that it dominates.

It grabs your attention.

Famous examples include the London Eye that dominates the skyline of London or the Ashoka Lions that dominate the Indian Passport and other official documents.

Principle of Proportion in Visual arts.

Proportion refers to the dimensions of a composition and relationships between height, width and depth. How proportion is used will affect how realistic or stylized. Proportion also describes how the sizes of different parts of a piece of art or design relate to each other. Proportion in any art is the relative size of objects in relation to each other or corresponding to the other elements as a whole.
